

## High quality compassionate healthcare close to home.

The Ayers Children's Medical Center is a special place just for kids right here in Jackson.

Through our relationship with Vanderbilt Children's Hospital, we have more specialists and services in the area than ever before, including:

Newborn Development

Pediatric Gastroenterology

Pediatric Cardiology

Pediatric Hematology

Pediatric Critical Care

Pediatric Neurology

Pediatric Endocrinology

Pediatric Urology

**731-541-5160**
